### **What if I can't find what I want to sell on this form?**

We purchase most diabetic supplies so if you can find what you want to sell you can call us at 800-786-4180, text us at 785-551-1599, or email us at [info@sellyourstripsformore.com](mailto:info@sellyourstripsformore.com) for a custom quote.

### **How long will it take to receive my payment?**

We pay within 24 hours of receiving your package. Business checks typically take 2-5 days to arrive. PayPal and Western Union payments are available immediately after transfer.

### **How long will it take my package to arrive once I send it?**

If you use our prepaid shipping label transit time is typically 1 week, but can be longer if there are postal delays. Our shipping label has to be manually processed by the post office so that can add several days to transit time. If you choose to purchase postage yourself transit time is 2-5 days for First-Class Mail and 1-3 days for Priority Mail.

### **Will you reimburse my postage if I choose not to use your prepaid shipping label?**

Yes. We will reimburse your postage 100% if you use USPS First-Class or Priority Mail.

### **Can you pay me before I send my supplies?**

See our ABOUT PREPAYMENTS section at the bottom right corner.

### **My supplies expire in less than 3 months, will you still buy them?**

Yes. We will pay 25% of our full asking price for supplies expiring within 1 to 3 months. If your supplies are expired or expire this month we can take them on donation.

### **What makes your company different from other companies that buy test strips?**

Unlike our competitors we DO NOT sell to large companies for profit. Our company provides diabetic supplies at a low cost to people in need. We also purchase a much larger selection of diabetic supplies. Most of our competitors purchase only test strips.

### **Can I donate supplies?**

Yes. We welcome donations. If you want to donate simply write donation across your selling form or place a piece of paper in your package that says donation.
